ONOSEREME **EMUEMHONJIE**

75, Efunlaruja Street, Ikorodu, Lagos, Nigeria · +2348024068995
eonosereme@gmail.com · **LinkedIn** · **Portfolio**

I am a frontend web developer with a diverse skill set. I am able to translate designs into responsive, user-friendly and accessible websites and web applications ensuring that they look great on all devices. I am passionate about staying up-to-date with the latest technologies, finding new ways to solve problems and improving on myself.

EXPERIENCE

MAY 2022 – PRESENT
FRONTEND DEVELOPER, SELF-LEARNING

Currently investing heavily in online resources such as Udemy and Coursera. Completed quite a number of advanced development courses and built amazing projects with my knowledge. Please check out my **PORTFOLIO HERE.**
